Restoration

Do you know of areas that need restoration? If so where?

What do you think is needed?

Please describe where would you begin restoration efforts?

Please describe or map areas you would rank as the top priority and second priority.

Trail Priorities

Where would you begin trail construction efforts?

Please describe or map areas you would rank as the top priority area and the second priority area.

Motorized Trails:

Do you have a favorite area or are there special features within the trail planning area that you would like to see included into the motorized trail system design? If so, where?

What type of use(s) (single track, double track, 4x4)?

Please describe the opportunity or feature (viewing area, rock challenge, etc...).

Non-motorized Trails:

Do you have a favorite area or are there special features within the trail planning area that you would like to see included into the non-motorized trail system design? If so, where?

What type of use(s) (hiking, mountain bike, equestrian)?

Please describe the opportunity or feature (viewing area, etc...).
